

Support politicians who care about you!

It is no secret: Vermont's working families are finding it increasingly harder to survive financially. As union members, it is crucial that we elect politicians who will not turn a blind eye to the middle class. IBEW Local 300 has a longstanding relationship with the Vermont Democratic Party, and encourages our members to donate to the Party's Political Action Funds, including:

- Senate Leadership Committee
- Vermont Senate Victory
- Senate Circle PAC
- Chittenden County Senate Fund

The contribution limit to each fund is \$2,000 per person. All donations should be mailed to:
